

## How E-Design Services Work & Pricing Info

1. Send me an email through the contact page or call & let me know what you are interested in e-design services. I will send you a Terms of Service Agreement.
2. Complete the Agreement, email completed form and send payment via PayPal (link) or through the U.S. Postal Service.
3. After I have received the Agreement and payment, you will be emailed a questionnaire as well as a document detailing how to sketch, measure, and photograph your space or you can download it from the web site.
4. Each Room Package is intended to help you with one space, one area of need, or one room. Combination room (open living plans) may be considered as two or more spaces
5. Inspirations Inside and Out reserves the right to share the design concept board design on my website and portfolio. No client names or product lists will be used
6. E-Design Services are non-refundable.
7. E-Design Services are available to US residents only
8. When communicating via e-mail about your space & design, please put in the subject line:

Last Name, First Initial – Room & Subject of E-mail.

### Kitchens:

We feel kitchens & baths are better suited for one-on-one involvement with a professional designer which entails architectural drawings, specifications, and site visits. We strongly advise professional help with full kitchen remodels. Designer kitchens are a large undertaking and can be quite disruptive for most individuals.
